

Proposed Public Use & Maintenance Plan Pine Tree Preserve

Existing Conditions

- 38% in good condition
- 62% fair, poor
- Downed trees, invasive species, deadwood
- Many mature quality trees
- Chain link & iron fences on all sides

Conditions as of May 2019

- New Athletics Fieldhouse complete
- New Connell Recreation Center complete

Proposed Site Plan

- Single looped accessible path
- Two improved entry plazas with benches, trash & recycle receptacles
- Removal of fence along existing BC exit and Thomas More Drive to provide public access
- “Greening” of existing Campanella Way

Proposed Site Lighting & Security

- LED pole lights spaced approximately every 65' along pedestrian path
- Installation of emergency blue light phones
