

MWRA School Education Program  
2 Griffin Way  
Chelsea, MA 02150

Dear Educator,

It is time once again for the MWRA's Annual Poster & Writing Contests and I hope you will consider having your students participate. This year's topic is:

**"MWRA at 40!"**

The Massachusetts Water Resources Authority (MWRA) was established in 1985 to provide wholesale water and sewer services to 3.1 million people and more than 5,500 large industrial users in 61 metropolitan Boston communities. Over the past 40 years, MWRA has been involved with many groundbreaking projects, including the cleanup of Boston Harbor as well as stewarding some of the nation's cleanest and best tasting drinking water.

This year students are being asked to use their creative writing and/or drawing skills to highlight one or more of the projects that MWRA has been involved with since its creation in 1985.

Attached, please find all necessary forms as well as a flyer announcing the contest. If you would like a contest packet mailed to you or have questions pertaining to the contest, please contact Jacqueline Collins at [jacqueline.collins@mwra.com](mailto:jacqueline.collins@mwra.com) or 617-305-5681.

All entries must be postmarked by **Tuesday March 12, 2025** and mailed to:

**MWRA School Contest**  
**2 Griffin Way**  
**Chelsea, MA 02150**

The contest is open to any student who lives in or attends a school located in the MWRA Service Area. To see if your students are eligible to participate, to get additional information, or to learn more about this topic, visit us online at [www.mwra.com](http://www.mwra.com) and follow the link to the School Program page.

Sincerely,

*Jacqueline Collins*
